GRAND KNIGHTS REPORT

Tom Zaegel, tomzaegel1@comcast.net

Brothers,

At the business meeting in September, we will be voting on the preliminary budget that was distributed at the August Social meeting. We find ourselves in a difficult, yet not unexpected, situation with our council income for this fraternal year. The concession stand for the Orioles games has not been nearly as lucrative as in past years, and it has been a struggle to get volunteers to work. Thus we expect to terminate this project next year. Given a significant shortfall in projected income, I have been deliberating on the wisdom of continuing some of the traditional gratuities covered by the council for officers and Past Grand Knights.

Therefore, effective immediately there will be no "Comps" for the Grand Knight, Past Grand Knights, or any other officers or members, other than clergy, for any Council, Chapter, or State functions or social events. This includes the BCGK Shrimp night and the Columbus Day Ball. I definitely encourage all to attend these functions at their own expense. I regret that this is necessary, but after prayerful consideration I feel that as good stewards of our council funds these actions are warranted. And I sincerely hope that you agree.

Furthermore, as the Officers and Program Leaders attempt to stimulate our membership into action for fund raisers to support our budgetary needs, I solicit your attention to this call to serve. Please help us by providing leadership in one or more of these activities. In addition, please support the activities and those who step up to lead them. I am open to your ideas and suggestions that will help to invigorate more involvement throughout the membership. Many of the ideas and suggestions offered during my first term last year are being considered for this year.

We also find it necessary to change the distribution of the monthly news letter. We are still printing and mailing about 85 copies of it. This costs the council about \$75 per month and in some cases as much as \$125 or more depending on printer availability. Thus, we plan to terminate the mailing to all except the widows. This will save us about \$1,000 per year. However, should anyone strongly desire to receive it via USPS, they will be able to pay for this by sending us \$10 per year with their dues payment. This will become effective with the October news letter. We thank those of you who are using the e-mail and council web site to access the news letter. If we do not have your e-mail, and you would like to get on our council e-mail distribution list, please send your email address to Paul Weber at apaulweber@msn.com.

One of the biggest fund raisers that we conduct regularly every year is the Car Raffle for the State Council. We retain 60% of every raffle ticket sold for our council use. This is your first opportunity to help us get on top of the financial issue. Please know that we have increased the projected income for this program in the preliminary budget. We need all Brothers to drive the sales of the raffle tickets throughout the month of September. Tom Rowan will once again be leading this initiative. Please contact him to help out as well as offering any ideas you may have to increase our sales.

Thank you for your prayers, support and encouragement. And may we always remember to stay faithful and be grateful.

Tom Zaegel, Grand Knight
Vivat Jesus!

CHAPLAIN'S REPORT

Dear Brother Knights:

Another school year has begun already. To be a student or a teacher is to have the annual opportunity to begin again. Each September brings a new challenge, a new adventure. And this is true, regardless of which side of the desk a person is on.

We as Knights, even those of us for whom classroom days are but a distant memory, have endless opportunities to begin again. It all has to do with forgiveness and conversion. Jesus has made it very clear that asking for pardon (as well as being willing to pardon!) are the marks of a true Christian.

When we fall short, we seek forgiveness from God and from any person we may have injured. And then the conversion process kicks in. We get ourselves back on track and turn toward God once again. Conversion happens every day of our life. Today we try to live closer to God than we did yesterday. And then, tomorrow, we try to do better than today. Not just a figure of speech, this literally is "the story of our (Christian) lives."

School begins again every September. We begin again every day.
Fraternally, Deacon Don Murray

SUPREME COUNCIL NEWS **In Service to One, in Service to All**

The phrase "In service to one, in service to all" has long been a motto of the Knights of Columbus. It simply means that Knights take seriously the two great commandments of Jesus Christ: to love God with our entire being, and to love our neighbor as ourselves.

For 128 years, the Order has been led by its first principle, charity. Every day, people witness the work undertaken by Knights as members work in thousands of communities around the world. Combined with unity — with our Church and with our neighbor — charity provides us with the means to fulfill Christ's great commandments. This is what it means to be "in service to one, in service to all." Lives filled with charity, motivated by faith and hope, are what will make Christ known to others.

It is the spirit of the Good Samaritan that has always propelled the Knights of Columbus. This is the reason why our history is one of service: helping the widows and orphans of the late 19th century; providing necessities to the American troops in World War I regardless of their race or religion; publishing books on the contributions of African-, Jewish- and German-American citizens four decades before the civil rights movement; working in support of Catholics in Mexico when the government there persecuted the Church in the 1920s; protecting parents' rights to send their children to Catholic schools; helping the hungry in the city of Rome during and after World War II; adding the words "under God" to the U.S. Pledge of Allegiance; pioneering nationwide blood drives; promoting the dignity of people with intellectual disabilities through Special Olympics and other programs; supporting mothers and their unborn children through our work with pregnancy resource centers and our Ultrasound Initiative; giving winter coats to poor children; providing mobility to people with physical disabilities through wheelchair distributions; providing food for families in need; and in general, being a force of love for our neighbors, wherever and whenever a need arises.

In practicing charity, in a spirit of unity, we lead by our witness, and we bring to life Christ's words in the Gospel, that all will know we are his disciples by the way we love one another.

Vivat Jesus!, Carl A. Anderson, Supreme Knight

DISTRICT DEPUTY REPORT

Every Council a Star Council numbers as of 8/21/2010

Council #/Goals	New Members	Dropped Members	Net Membership Increase	Net Insurance Increase
8736 / 14-5	0	0	0	0
9815 / 7-3	0	0	0	0
10100 / 7-3	0	0	0	1
11372 / 18-6	0	0	0	1
District Total	0	0	0%	11.7%

Star District Goals 46 New Members; 17 Insurance Members

The numbers above are from the Supreme website. There have been two First Degrees with 4 new members (8736-1, 9815-2, 11372-1) There are also Suspensions in Process. If we factor in what Supreme has not yet recorded, we realize that there is a lot of work to be done to achieve Star Council status. But remember that membership happens by adding or keeping one member at a time. The Knights of Columbus is a wonderful organization and it is not all work and no play. Invite a current or potential member to go to an event that your own council or another council is having. Such as Our Lady of Grace's Golf Tournament on Sept 10, Mason Dixon's Chicken Dinner on Sept 11, Fr Wolfe's Bull Roast on Sept 18 or Long Green's on Oct 2.

If they wish to become members they can take advantage of two councils with fine First Degree teams that will hold a First Degree every month of this fraternal year. The Fr. Wolfe 1st degree ceremonial team won the 1st place award as best team in the State of Maryland. What an inspirational way to enter the Knights of Columbus. Be sure to welcome each newer member when you see them as well as your long term brothers.

A few key dates, to remember: First Degree October 18th at Fr. Wolfe and September 28th at Long Green Valley. A 2nd degree will be held at Fr Wolfe on November 17th. A Third Degree is now scheduled in Elkton on October 15th.

FOURTH DEGREE NEWS

Archbishop John Carroll Assembly 2378.

Faithful Navigator Mike Novak 410 515 6867; j.m..novak@comcast.net

On August 7th our Archbishop John Carroll Assembly held it's installation of officers. We started with the 5 PM Mass at St. Francis De Sales Church. As Faithful Navigator, I would like to thank Father Charles Wible, Deacon Jim Sullivan and Deacon John Gramling for Sharing the Liturgy of the Mass with us and participating in our Installation Ceremony. A special thank you goes out to our Color Corps Commanders and the Color Corps for their flawless execution during mass and the installation ceremony. As always, they added a special dignity and beauty to our celebration. I thank my family and our Brother Knights from Fr. Wolfe Council who helped with the set up and clean up. I also want to thank everyone who attended and made the night such a success. Those attending had a good time and enjoyed good food and drink.

Archbishop John Carroll assembly will hold their next meeting on September 16th, 8:00PM at Our Lady of Grace in Parkton. After the meeting we will have our annual crab fest. The cost for the evening is \$16. We need a head count no later than September 10th, so for those Sir Knights who are planning to attend please call me on 410 515-6867 or E-Mail me at j.m.novak@comcast.net. I thank you for your cooperation.

MEMBERSHIP DIRECTOR'S REPORT

Chuck Bogdanowicz, PGK: 410-592-5913; chuckbog@msn.com

The council just suspended 6 members who no long have a desire to belong to our order. As a result, our new membership goal is 19 new members with the possibility of additional suspensions in the future. As you can see, retention is as important as recruiting. The health of our council depends on a balance of the two.

We are scheduled to have a first degree the second meeting in September if we have any candidates. There is a Second degree at Belair Council 4714 on Monday, October 4, 2010 and a Third degree at Dundalk Council 2942 on Saturday, February 26, 2011. Please keep these dates open if you need these degrees. The membership team will be contacting you as these dates draw closer.

FRATERNAL BENEFITS

“God’s Special Children”

If you have a special needs child, grandchild, niece or nephew you might be interested in discussing what would happen to that child if something happened to the children’s parents.

At the Knights of Columbus we have programs to promise that this child (or adult) will have adequate finances for their future care. There is no more compelling responsibility than this one – caring for those who will always be dependent for help.

Please call your council benefits advisor to discuss this critical issue if it applies to you.

PROGRAM DIRECTOR'S REPORT

Mike Sallese, PGK; 443-852-1442; msallese11@verizon.net

Summer vacations are over and we hope everyone's health is good enough to take part in our activities. Over the next few months we will be holding the following activities or helping out around Church and the School with their activities.

This month we will once again honor the Religious Education teachers with a breakfast on 9/19. On 10/2 we will be sponsoring a Bull Roast to help out the School. On 10/08 we will hold a welcome and orientation social for our new members who have joined the Council in the last year. 10/31 is the 5th Sunday. In September we will begin an essay contest for the youth of the parish and school. For Halloween weekend, we will be working with the school on its Trick or Treat tailgating event. We will be working at the grocery stores with Our Tootsie Roll drive. In October we will hold our Sunday Membership blitz. In October & November we begin collecting for the Thanksgiving food project and do the "Apple project." In November we also have our blood drive and kick off the "Keep Christ in Christmas" poster contest. In November we will hold our Memorial Mass. St. John's will hold the Parish Fall Cleanup and we always help out. Please check out our Directors' articles in every newsletter for more details.

We are looking for one or several photographers to take pictures of our activities. In years past Pop Stritz has done this but he can use an assistant or two. Please contact me if you can help out with a camera.

COMMUNITY ACTIVITIES

Mike Naumann 410-592-4884 mike.n@pioneernetwork.com

Long Green Valley Council will begin our Collection for the intellectually disabled – commonly known as the Tootsie Roll Drive – this month. George Landefeld and I will be setting up locations to hand out the Tootsie Rolls and accept donations. If you know of a good place to collect, please let me know so that we can talk with the business owner about collecting there.

In October we will once again hold the "Apple Project". For this activity, we go to one of the local orchards and pick some fresh fruit that we then distribute to those groups that we normally deliver food to. Please consider helping out. More info will be made available as October arrives.

In November we will hold our semi-annual blood drive and our annual Thanksgiving Food Project. Watch this space for more info.

CHURCH ACTIVITIES

Eric Schummacher, Director 410 557 6989, mhschumacher@comcast.net

Catechetical Sunday

Religious Education begins again at St. John's on Sunday September 12th. But we will wait until Sunday September 19, 2010 and once again honor all the religious education teachers of St. John Parish, CCD as well as the school teachers.. We will hold a Catechetical Sunday brunch for those teaching Sunday morning and those teachers who teach Religious Education during the week. We will be working with Mrs. Konitzer to invite the teachers to attend. If you know any of the teachers please ask them to stop by. We will need your help throughout the morning beginning around 8:00 AM and we expect to be finished around noon.

Rosary of Guadalupe Love

Knights of Columbus and their families around the world will unite under the intercession of Our Lady of Guadalupe to pray the Rosary of Guadalupe Love on Sept. 8, the Universal Day of Our Lady of Guadalupe.

"On Sept. 8, we will pray the rosary for Our Lady's intercession for unity and peace," said Supreme Knight Carl A. Anderson. "We will pray that the new evangelization will cause the Culture of Life to flourish on all continents and among all people, and that Our Lady of Guadalupe intercedes with her Son to guide our councils in their charitable work."

The Rosary of Guadalupan Love will be prayed in the Basilica of Our Lady of Guadalupe in Mexico City, Sept. 8 from 9-10PM. (ET). This special worldwide rosary is being organized by the Knights of Columbus, the Archdiocese of Mexico City and the Institute of Guadalupan Studies in observance of the bicentennial of Mexico's independence. The event honors Our Lady of Guadalupe as the "Shield and the Patroness of Our Liberty" and as the Mother of the Civilization of Love.

The Rosary of Guadalupan Love is designed to connect the messages Our Lady of Guadalupe gave to St. Juan Diego with the seven sacraments of the Church and the Church as the sacrament of salvation. "The message of Our Lady of Guadalupe is a message that reflects the great commandment of our Lord to love our neighbors as ourselves (Mt 22:39)," the supreme knight said. "It is a universal message of reconciliation, healing and unity. This event will unite in prayer all Knights and their families, and all dioceses of the Church throughout the world."

COUNCIL ACTIVITIES

[John Stansfield: 443-504-7503; ressq351@Verizon.net](mailto:John.Stansfield@Verizon.net)

We are running the Incentive Car Raffle this month in conjunction with every council in the State. We have raffle tickets at \$1 a piece. The grand prize is a new car. Please talk with Tom Rowan about the tickets. When sold, the tickets earn 60 cents for Long Green Valley Council and 40 cents for the State Council. The State council pays for all costs of the raffle out of the 40 cents. This is a pure profit for Long Green and with the baseball season we've had, we can use your strong effort in making sales to your coworkers, friends and relatives. We need to get all the tickets stubs and payment by the end of September as the drawing will be held on October 9, 2010 at the Columbus Day Ball. We will also sell tickets at weekend Masses at St. John's so please help us out.

On October 2nd, we will hold a Bull Roast after Saturday evening Mass. We are also working on the Membership Blitz on a weekend at St. John's.

YOUTH ACTIVITIES

[Joshua Pippin \(410\) 292-5897 j_peregrin@msn.com](mailto:j_peregrin@msn.com)

Upcoming activities for the fall (tentative) are the essay contest "The Responsibility of the Catholic Citizen in a Free Society", the soccer shootout, and the rocket launch. I have been in contact with St. John school's principal, Jean Delcher and will be discussing plans with her after the 23rd of August.

Regardless of what activities are decided on, the main aid needed for the youth activities will be Knights acting as judges and supervision for each contest. If you are interested in helping, please contact me via email or phone, or talk to me during one of the Knight's meetings.

PRO-LIFE

[Jim Cross 410-893-1266](tel:410-893-1266)

All Knights are asked to pray a rosary at 9 PM on September 8 as an expression of Guadalupan Love. The Blessed Mother's birthday is September 8 which is exactly nine months after the holyday of her Immaculate Conception. The image of Our Lady of Guadalupe portrays her as pregnant. There will be an Archdiocesan "Forty Days for Life" from September 23 to November 3 during which many special events will be held in many parishes. We are all urged to pray for success in Pro-Life issues whether they are small or a Saul/St Paul type conversion of some elected officials. All is possible with God.

LECTURER'S REPORT

[Chuck Bogdanowicz, PGK: 410-592-5913; chuckbog@msn.com](mailto:chuckbog@msn.com)

I want to thank all my brother Knights who have practiced the first principle of our order: Charity. They have been sending Jokes, stories and puns to use during my Lecturer's program. What a group of guys!

Please plan to attend the second meeting in October. We will have our fraternal benefits advisor Jerry Henderson as the guest speaker. This should be of interest to all of us. More information will be in the October news letter.

CHANCELLOR'S REPORT

BASEBALL GAMES

Bob Renshaw 410 592 8406

The two games in September should be good money-makers for the Council. Games with the Red Sox and Yankees are usually very well attended and may well justify the work that we have put in all season. The Thursday night game was the only chance we had to work a Red Sox game. Although it may be inconvenient for some, we need as many people as possible. If you have not been getting calls, let me know. We do need you. We had to cancel the August 6 game for lack of help, so don't be shy if you are willing to work a game.

The Council officers have decided that we will not take responsibility for the stand next year. If another council does so, we may work some of their games, but there is no guarantee. If any members want to work a game "for old time's sake" or if anyone is just curious about what we do down there, these last three games may be your last chance.

Please review the remaining schedule and choose the games that you can work. If you have not signed up at a meeting or been called by one of the callers, contact me, Bob Renshaw at 410-592-8406 (cell" 443-655-1138) or Jim Schmidt at 410-592-8891. You can email me at baltobob@comcast.net.

KNIGHTS OF COLUMBUS

Knights Ladies of Long Green

Dana Rowan, President 410-299-6143 danarowan@comcast.net

The Knights' Ladies are sponsoring an Operation Shoebox drive during the month of October. For those not familiar with Operation Shoebox, it is an "effort to send support, snacks, and much needed personal care items to troops deployed outside the U.S.A." As items are often packed in shoebox sized packages, it was named, "Operation Shoebox".

Mary Weber, a Knights' lady and active member of the Pioneers, is spearheading this campaign as the Pioneers are partnering with the American Legion in Reisterstown to package and ship as many items as possible on Veterans Day, November 11th.

Not only will the Ladies be collecting items during their October meeting, but boxes will be placed in the narthex of the Church in late September or early October. The exact dates will be printed in the Parish bulletin.

The list of items needed is too lengthy to detail here, but the website www.operationshoebox.com has the complete list, clearly outlined. In general, the troops appreciate travel size toiletries & personal hygiene products, snacks & food that can stand up to heat and packaged for easy opening, prepaid phone cards, travel size board games, playing cards, and printed materials such as books and magazines. There is a litany of others items such as bug spray, fly strips, shoe insoles, AA & D batteries, and white calf high socks. Just check their website for more info.

If you miss the donation boxes in Church, you can always leave the items in the Knights' Hall (we will have a box labeled "Operation Shoebox") or contact Mary Weber directly.

And spread the word to all those Bunko loving ladies out there. Janie Zaegel will be teaching the Knights' Ladies how to play Bunko during their October meeting. Should be loads of fun.
