GRAND KNIGHTS REPORT

Joe Wenderoth, Grand Knight, 410-592-9718,
Joewenderothsr@gmail.com

Membership: The Membership Team, led by Director PSD, PGK Dick Siejack, is completing the planning stage. Our plan is to communicate with everyone on the roster and reacquaint ourselves with members in one-on-one or small group sessions whether it be face-to-face or with written materials. Our goal is to reinvigorate the Council from within and to recruit. When we talk to you, we'll use a checklist survey so that we understand all concerns, interests and issues. This focus is quality activities, and practice of charity, fraternity and unity principles of the Order. In short we want to attract, retain and increase participation.

Council Home facility: After substantial improvements to the Council Home we have started Ravens Tailgate season and other Fall activities with a focus on hosting activities at the Council Home and on the SJE campus. There will be more events than in the past but they require your support and offer opportunity for fraternity and team building for other activities.

Communications: The LGVC Weekly all hands email helps us to integrate the web site, newsletter and meeting documents as well as coordinate with our LGVC community on a timely basis. Please consult your LGVC Weekly to plan your week and to look for late breaking schedule changes. The linkages between our communications tools will be the subject of council communications analysis and subsequent training sessions.

Remember, above all is charity, a selfless commitment inspired by our faith and extended to our LGVC and SJE community. I close with an altered phrase borrowed from another new administration in 1960. "Ask not what your Council can do for you, but what can you do for your Council."

CHAPLAIN'S CORNER

Msgr. Richard E Cramblitt

The biggest news in the Church these days is the introduction of the revised Roman Missal. On the first Sunday in Advent the new English language Missal will be put into use around the world in every English speaking community. This is the most significant change in the Mass since the 1960's. The Missal has been retranslated from beginning to end with the aims of:

- *Bringing the English text into close conformity with the standard Latin text of the Mass;
- *Creating a "sacred" language for use in worship, that is, a language of dignity and nobility suitable for the use of the Christian community when it addresses Almighty God in prayer;
- *Recapturing the beautiful imagery and poetry that are in the Latin Mass but which have become lost in the translation into English;
- *Creating a single English Mass text for use in the entire English-speaking world, thus creating a stronger bond of unity in the Church;
- *Reasserting the place of music in the Mass.

The Knights of Columbus can play a particularly useful role in the introduction of the revised Missal. I am hopeful that Knights and the Knight's Ladies will enthusiastically receive the Missal, learn the new responses and speak them articulately, clearly and with vigor at whatever mass you attend. By doing so you will help those in the pews around you to learn the responses and have confidence in praying them. The Mass is a communal prayer. The better you personally pray the prayers of the Mass the more you support the entire Church gathered for that Mass.

Most of the changes in the text of the Mass that are new will be those words spoken by the priest. There are nine responses that you will need to learn as a member of the congregation. They are: The greeting; the penitential rites; the *Glory To God*; the *Creed*; the dialogue at the Preface; the *Holy, Holy*; the acclamations at the consecration; the sign of peace and the *Lamb of God*. In time these will come easily to everyone but you have a great opportunity in leading others from the beginning by the way you pray. Learn the responses! Pray them well!

SUPREME COUNCIL NEWS

In Service to One, in Service to All

Stalwart Partners

Of the many causes and charities of the Knights of Columbus, Special Olympics is one that is highly valued by individual members and garners a great amount of support. Since the first games were created in 1968 by fellow Knight Sargent Shriver and his wife Eunice Kennedy Shriver, Knights of Columbus members have been active and devoted supporters of Special Olympics.

Since those initial Special Olympics games, the Order at the state and local level has donated a

cumulative total of \$61 million to support the organization.

Last year Knights raised \$2.8 million for the Special Olympics at all levels. Also, 2010 saw more than 74,000 Knights volunteering 268,000 hours of their time at more than 10,000 Special Olympics games and related events. The broad popularity of the Special Olympics within the Order is evidenced by the more than 3,600 councils participating in local Special Olympics events across the U.S. and Canada.

This partnership with Special Olympics is part of the Knight's commitment to assist people with intellectual disabilities. In addition to the more than \$3.3 million local councils donated to Special Olympics in 2010, they donated more than \$13 million to a host of other charities serving people with intellectual disabilities. Since 1980, the Knights have donated \$507.6 million to programs and charities advancing the cause of the intellectually and physically disabled.

PROGRAM DIRECTOR'S REPORT

Tom Zaegel PGK, 410-557-4465, tomzaegel1@comcast.net

The pace is picking up with our fraternal activities and there are numerous opportunities for you brothers to share your time and talents. Please get involved and support or lead some of these activities over the next 3 months. We are especially still looking for someone to lead the Pro-Life Program area. This is a very important and highly visible area throughout our church, community, and our Order. Please give this your utmost consideration and step up to take the lead with me.

We will be preparing and submitting our first quarter reports for the State Surge with Service competition which is a key element to our achieving Star Council recognition. Program leaders need to get their drafts and supporting information to the Grand Knight and me by October 5th so that we can finalize and format for submittal to the DD on the 8th. Thanks for your timely support.

Thanks to John Canoles for his efforts at creating and leading the scavenger hunt, a new summer project. While this first one did not have heavy participation, those who did get into it had a great "family" experience. See the winners and more details in the Family section that follows.

And finally, there is a brochure and order-form included with the email / on-line edition of this newsletter for ordering Keep Christ in Christmas Cards. Please place your orders ASAP so we can submit and get them back in a timely manner for you. This is a council fund raising opportunity that we hope will help bring in additional funds for our charitable activities and donations. We will be selling throughout the church and school as well.

Catechetical Sunday

WELCOME

We served breakfast/brunch (to include omelets, bagels, muffins, juice and coffee) to St. John's religious education instructors and staff on Sunday 9/18 between 8:30AM and

12:30PM at the council home. We served approximately 20 adults and children including Monsignors Cramblitt and Woy. I would like to give special thanks to Theresa Konitzer for coordinating this event and Brother Knights Jim Schmidt, Chuck Bogdanowicz (our worthy omelet chef) , Tom Zaegel and Bob Renshaw as well as Marilyn Donohue for their help and support.

Ministry Fair

LGVC and the Knights' Ladies provided an attractive table top display at the SJE Ministry Fair on Saturday 9/24 and Sunday 9/25. The display was staffed by various participants before/after after all masses. Appropriate marketing materials and Form 100's were provided at our table. State car raffle tickets were also sold outside the church which gave us some additional exposure. It was a great opportunity to show our unity and all the things that we do for the St. John's community. Thanks to all who participated in this important parish event!!!!

5th Sunday Mass

LGVC will have our traditional 5th Sunday Mass at 9AM on Sunday October 30.. We will gather in the Narthex before Mass and sit as a group in reserved seating on the lector's side of the altar in front of the statue of Mary. We will also solicit volunteers to present the offertory gifts. Please wear you name tags and dress appropriately (with something green). Buffet breakfast will be served at the Council Home after mass. Please feel free to invite family members, friends and fellow parishioners. **This is a great opportunity to display our charity, fraternity, unity and parish support. We had an excellent turn-out in July - let's continue the momentum.**

Our Semi-annual Blood Drive will be held on Saturday, November 19, 2011 from 7AM to 1PM at the St John's Parish Hall. Further information contact Ray Dietz at craytrek@comcast.net or cell = 410-790-7484. Help save a life. We need your support. We are also in need of a few good men to help that day. No skills are needed.

There are several projects coming up in the next couple of months:

1. Tootsie Roll Drive for our fund raising to support our special friends at Gallagher Center and

Camp Glow. We are currently working on dates and locations. Please check the web site, email notifications and council email updates every Monday for more details when available.

2. Apple Picking and Distribution Project - Brother Carroll McComas and his merry band of brother Knights will be conducting this program once again....Date(s) TBD. Please contact Carroll, Tom Zaegel, GK Joe Wenderoth or me if you would like to get involved in this project.

3. The Annual Thanksgiving Project will be starting later this month and John Mayni will be sending out his letter requesting donations. This is one of our greatest programs that has been conducted for over 15 years. And if donations exceed the needs requested for Thanksgiving, we are then able to help out at Christmas and Easter. So please be as generous as possible when John comes calling.

Also, we have been invited to participate in the Blessing, Ribbon Cutting Ceremony for the Stella Maris International Seafarers Center in Dundalk on October 15th. This is the home of the Archdiocesan Apostleship of the Sea Ministry operated under the leadership of Msgr. John Fitzgerald. Archbishop O'Brien, currently our Apostolic Administrator, and Peter Davio, our Maryland State Deputy, will be participating in the 25 minute ceremony which starts at 11AM at St. Rita's Church next door.

FAMILY ACTIVITIES

SCAVENGER HUNT

Our newest youth project took place over the summer and was recently completed after the start of school. 18 children and their families registered to participate in the **Scavenger Hunt** program.

Brother John Canoles prepared a list of over 50 challenging items for them to find and identify in the surrounding communities. It provided a great opportunity for the kids and their families to work and

have some fun times together. The prize winners are:

- Grades 1 - 2.....Sebastian Schuler1st Place \$20
- Grades 3 - 5.....Lukas Deuber.....1st Place \$20
 - Makaila Alcarese.....2nd Place \$10
- Grades 6 - 8.....Josh Elliott.....1st Place \$20
 - Conner Alcarese.....2nd Place \$10

TOP OVERALL SCORE WINNER was Josh Elliott, son of none other than our worthy Council Secretary Brother Bob, who won an additional \$10.

Awards will be presented following the school Mass on Thursday Oct. 6. Congratulations to all the winners and participants, and especially to John Canoles for creating and leading this new project.

FAMILY OF THE MONTH

The Family of the Month for September is the Tom Rowan family. Warden Tom Rowan has helped the Council in many ways and has become a core member of our organization. Currently Tom is chairing the car raffle ticket sales as he has done before. He is especially popular with the membership for his work with the kegerator for draft beer after meetings and at parish events.

Tom's wife, the popular Dana, has been President of the Ladies auxiliary as well as a valued contributor to Knights events.

Tommy Junior is a future Knight and is involved in many of our activities as well as working for the parish. Like his Dad, Tommy is a likely future Grand Knight.

Tom Sr. recently organized our Council trip to the Ironbirds game and is an important member of our Home committee where he helps with remodeling and repair projects in the Council Home. He is truly an asset to LGVC and so the Rowans are our September Family of the Month!

PRO-LIFE

At our business meeting in September, our Chaplain and SJE Pastor, Msgr. Rick Cramblitt once again request the very proactive and robust efforts of our council in support of the Maryland Catholic Conference. There are several activities on the horizon where we can and will get involved. We will once again take the lead in soliciting the support of SJE parish and encouraging them to sign up for the email alert program as well as to follow the web site to keep abreast of activities affecting our faith and beliefs. We will need the support of all Brothers and their families to hand out forms and collect them at all masses on the weekend of October 8th & 9th. Additional announcements will be sent out via our email, web site, church bulletins and parish email and web site. Please make yourself available and support this project at a least at the mass you attend.

There is also a program coming up on November 5th, from 8:30 to 1:00 pm in Annapolis. It is **ADVOCACY DAY 2011**. The purpose is to organize and prepare for the 2012 legislative session, and especially for the **MCC Lobby Night** in Annapolis that takes place on February 20th. Msgr. Rick participated in this effort last year, and this is the most proactive way to show our strong support and/or disagreement with some of the legislation and pending considerations. Please mark your calendars and do your best to get involved and participate on these dates. You are also encouraged to sign up **ASAP** for the **MCC** email communications via the link <http://www.mdcathcon.org>.

There is also a new MD State Council initiative for Pro-Life activities called "Linkages". The purpose is to promote local council support and foster effective relationships between local Pregnancy Support Centers and K of C Councils in their area. Each council is requested to establish a proactive "link" with any of the 40 approved PSC's in Maryland. And we have one right in our back yard in Bel Air.....Birthright. Our Knights Ladies of Long Green have had projects supporting them in the past. It's time for us to get on board and take this to the highest level. We need your leadership and support. So please volunteer to get involved in this very worthwhile initiative.

Youth Activities

Joe Owens PGK, Phone: 410 557 6860, e-mail: kcjto@comcast.net

Dates and details of the **Soccer Competition** are still being coordinated with St. John the Evangelist School and also possibly with Harford County Rec council. We will need volunteers to help, and will be sending out information and requests as soon as it is available.

We will also be conducting the **Keep Christ in Christmas Poster contest** again this year. The plan is to kick it off on Nov. 7th and have the posters returned by Nov. 28th. We will then judge them and submit to the State Competition by the due date of Dec. 2nd.

LECTURER'S REPORT

Chuck Bogdanowicz, PGK, 410-592-5913, Chuckbog@msn.com

Chris Deaver did a presentation on the coming changes to the Roman Missal at our social meeting in September. It was very informative and well received by the membership. Try to attend a meeting this month to see what might be next. I will try to have some good stories...

As always, I am interested in any programs or speakers you might want to have and welcome any suggestions. Please feel free to contact me if you have any contacts or leads.

MEMBERSHIP REPORT

Dick Siejack, IPSD, 410-557-9298, rvsiejack@aol.com

Brothers,

A special congratulations to Brothers Michael G. Bathon, Douglas B. Byerly and John L. Walega Sr. who took their 2nd Degree at Notre Dame Council on 9/22/11. We wish them well on their journey into Knighthood and encourage all our Brother Knights to continue to complete this journey. Please note there will be a 2nd Degree at Bel Air Council on Monday 10/3/11 and at Fr. Wolfe Council on 11/2/11. A 1st Degree is scheduled at Fr. Wolfe Council on 10/17/11. If you plan to attend, you must notify Grand Knight Joe Wenderoth or any of the membership team.

Membership/Retention is everyone's job....365 days a year! With that thought in mind, we will have a **Membership Blitz** at St. John's Church on the weekend of 10/22 and 10/23/11. Brother Knights will speak at each Mass on the value of Membership in LGVC Knights of Columbus. It is very important and I urge your presence after each Mass to greet and talk with potential members and their families. Please wear your name badges and be prepared to hand out **KofC information**. **Thanking you for your follow-up!**

Have you asked a Catholic man and his family to join our Council? Are you carrying a **Form #100 Membership Application** with you at all times? Why not plan to invite a Catholic man and his Family to attend one of our Council activities and let them share our fraternal spirit. I know they will want to join.

"May the good Lord continue to touch your hearts with love and mercy."

INSURANCE

Mark Bateman, 410 340 8561, mark.bateman@kofc.org

Making the Insurance/Charity Connection

When thinking of our Order's highly rated insurance program, one might have the tendency to think of the Order's Insurance operations as completely separate from the Order's Fraternal operations. Some may think they are two distinct entities, with two distinct sets of goals and ambitions. In reality, the Order's Fraternal and Insurance operations work side by side on all fronts.

For example, when the order makes an investment decision we have a three way litmus test to determine whether to put money in that direction:

1. Is it good for the Brother Knight who is investing his funds with us?
2. Is it good for the Order in general? Will it allow us to continue funding our Fraternal and Charitable operations as an organization?
3. Is it good for the Charitable beneficiaries of the Order's works? Will we be able to help the people who depend upon us for help each year? Will we be able to continue to lobby and support Catholic values and issues that are big picture in scope?

The Order's Fraternal and Insurance operations were one united front when Fr. McGivney founded the Knights of Columbus. Today is no different-just much larger in scope. When you do business with the Knights of Columbus you are not just helping your family-you are helping all those that the Knights of Columbus Fraternal and Charitable tentacles reach out to.

Knights Ladies of Long Green Valley

Cassie Wenderoth, President, cassiewenderoth@gmail.com

Ladies,

The Welcome Back Dinner is right around the corner. The officers have planned what we hope is an enjoyable meal with a short meeting (and remember there are no dishes to clean up.) The dinner is free but we would like you to support Operation Shoebox by bringing such things as foot powder, sunscreen, twizzlers, beef jerky, gum, hard candy, hand sanitizer, granola bars and individual packages of peanut butter crackers. Many have already RSVP'ed, please do so if you have not ASAP. This is a great way to see old friends and make new ones.

Looking forward to seeing everyone,

Cassie
