GRAND KNIGHTS REPORT

Joe Wenderoth, Grand Knight, 410-592-9718,
Joewenderothsr@gmail.com

Membership: The State membership goal is one new member per Council per month. Please consider asking a Catholic man to join. As we strive to reengage existing members and step up our retention effort, a service survey inquiry was sent by US Mail to reach the widest possible audience. Members are asked to estimate hours of personal service for 2012, whether for the Knights other organizations or on their own, so that we can accumulate the hours for our annual report to Supreme. Supreme can then report the Order's good works to all.

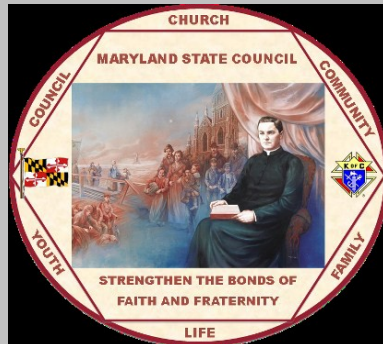

Council Home Facility: We have planned a list of repairs and improvements that will rely on our fund raising efforts. Please consider renting the Council Home, or recommending it to family, friends or neighbors for their family party. We will also consider regular rentals by businesses to supplement the private parties. A new, more reliable internet solution has been proposed and we hope to implement it soon.

Communications: The draft Communications Policy has been reviewed by the Communications Team. The formal statement of this policy will consolidate changes made incrementally over the last two decades to keep pace with rapidly changing technologies and cost reduction. The new policy will make us a more effective and engaged Council. While we work through the details, we are adding more emphasis on email and the web site. We can also use your help. When you attend our events, ask a Brother Knight friend to attend as well. Personal communications, no matter the method, are always effective.

Service: Our new focus area is more emphasis on service to those in need. This year we are reaching out more extensively to ask more members to participate. You can do this by helping those in need, especially Brother Knights and their families and parish families who have illnesses or other troubling issues. The topic was addressed in the recent mailing to all members.

Remember, above all is charity, a selfless commitment inspired by our faith and extended to our LGVC and SJE community. I close with an altered phrase borrowed from another new administration in 1960. "Ask not what your Council can do for you, but what can you do for your Council."

CHAPLAIN'S CORNER

[A Call for the Defense of Religious Liberty](#)

The leaders of the U.S. and Canadian bishops' conferences joined Pope Benedict XVI in expressing concern over restrictions on religious liberty and praising the Knights of Columbus for their work in its defense. Both Cardinal Timothy Dolan of New York, president of the United States Conference of Catholic Bishops, and Archbishop Richard Smith of Edmonton, president of the Canadian Conference of Catholic Bishops, expressed gratitude for the Knights' tireless defense of religious liberty and asked them to continue their leadership in that work, especially at this time. Both Archbishop Smith and Cardinal Dolan made their remarks at the Supreme Convention's States Dinner.

A letter of greeting to the Knights' convention, signed by Vatican Secretary of State Cardinal Tarcisio Bertone, conveyed Pope Benedict XVI's gratitude to the Knights for their help "during these difficult times," noting that "The Knights of Columbus have worked tirelessly to help the Catholic community recognize and respond to the unprecedented gravity of these new threats to the Church's liberty and public moral witness." The letter stated: "By defending the right of all religious believers, as individual citizens and in their institutions, to work responsibly in shaping a democratic society inspired by their deepest beliefs, values and aspirations, your Order has proudly lived up to the high religious and patriotic principles which inspired its founding."

In remarks broadcast worldwide on Catholic television networks, Cardinal Timothy Dolan told the 2,000 Knights and family members gathered for the convention: "We need you now more than ever." Cardinal Dolan gave thanks for "the generous and unfailing loyalty of the Knights of Columbus to the pastoral goals of the United States Conference of Catholic Bishops ... especially — especially — the defense of religious freedom." Archbishop Smith echoed the statements of Pope Benedict and Cardinal Dolan, saying: "Our call at this moment is to affirm the right of religion to be active in the public square ... to defend the freedom of people of faith and of religious institutions to act in accordance with their beliefs and nature; to maintain healthy church-state relations; to understand conscience correctly and to form it according to objective truth; and, to protect the right to conscientious objection. Believers are summoned now to stand up for their faith, even if they must suffer for doing so." "The Knights of Columbus do not shy away from this," he concluded. "And we bishops are very grateful for your witness."

SUPREME COUNCIL NEWS

In Service to One, in Service to All

During this year's Supreme Convention, we were privileged to receive an extraordinary message from the Holy Father conveyed by Vatican Secretary of State Cardinal Tarcisio Bertone.

Responding to the theme of our convention, "Proclaim Liberty Throughout All the Land," the message said:

"At a time when concerted efforts are being made to redefine and restrict the exercise of the right to religious freedom, the Knights of Columbus [has] worked tirelessly to help the Catholic community recognize and respond to the unprecedented gravity of these new threats to the Church's liberty and public moral witness. By defending the right of all religious believers, as individual citizens and in their institutions, to work responsibly in shaping a democratic society inspired by their deepest beliefs, values and aspirations, your Order has proudly lived up to the high religious and patriotic principles which inspired its founding."

Of course, the concern of the Holy Father regarding "unprecedented" and "new threats" to the free exercise of religion in America must be understood in light of the administration's actions first in the Supreme Court case of *Hosanna-Tabor vs. E.E.O.C.* and then in its more recent U.S. Department of Health and Human Services' mandate requiring health insurance to cover contraceptives, sterilization and abortifacient drugs.

We have opposed the HHS mandate because it forces Catholics and all Americans to participate in actions that violate our conscience. The mandate also violates the right of Catholic employers — including the Knights of Columbus — not to be forced to pay for or be complicit with procedures and prescriptions that are intrinsically evil.

The Knights of Columbus is committed to ethical and sustainable business practices. As a company, we will not invest in other companies that are not morally or economically sustainable. If an investment does not work morally, we should not invest in it.

The HHS mandate, however, would force the Knights of Columbus as an employer to provide services and products as part of our employees' health insurance that we would never invest in.

Ironically, the administration has exempted more than 190 million health plan participants and beneficiaries from its health insurance mandate — but it refuses to do so on the basis of religious liberty and rights of conscience.

Religious liberty is not simply another political issue. It cannot be compromised or recognized for some and denied to others. It is fundamental to the dignity of the human person and a basic human right. And like the right to life it, too, is inviolable.

Restricting the free exercise of religion for individuals and institutions is not just politics as usual; it is, like abortion, intrinsically evil, and no competing political consideration can make it less evil.

The U.S. bishops have made clear in their document *Faithful Citizenship* that we have a duty to avoid being complicit with intrinsic evil. They have even said, "It is important to be clear that the political choices faced by citizens ... may affect the individual's salvation."

As Knights, we have been steadfast in refusing to invest in companies that provide intrinsically evil products. We need to follow those same values when we vote. It is time that, as voters, we refuse to support politicians who promote intrinsically evil policies. And it is time for us to apply such a standard universally, to every candidate in every race for every office.

As I stated in my annual report to the convention, the Knights of Columbus will continue to pursue its great mission of building up a new culture of life and a civilization of love through its witness to our principles of charity, unity and fraternity.

We will continue to be what our Holy Father's message described when it recognized the Knights of Columbus as "a pioneer in the development of the modern lay apostolate." But to do this we must continue to have the freedom of religious exercise that is guaranteed by the First Amendment.

It is my sincere hope that Catholics will defend our fundamental human rights to life and religious liberty in the courts and at the ballot box against those who would seek to make faithful Catholics complicit with intrinsically evil actions and policies.

CHURCH ACTIVITIES

Pat Donohue..410-941-5025..donohuepj@comcast.net

WELCOME

North Baltimore County Wine Festival @ SJE Parish Campus (Tom Zaegel):

Once again our LGV Council brothers came through with terrific support to our host parish. Many of our brothers, spouses and family members provided set up, tear down and volunteered to help with wine serving. We also helped with the planning, organizing, prep, advanced sales and other related activities. Thanks also to those of you who came and participated to help make this first-time project a big success. All feedback has been very positive and all had a good time. There were also many "side" benefits to the parish (and our council) in addition to the financial income. Msgr. Rick and the entire parish staff extend their thanks and appreciation to our council for our continued outstanding support.

SJE semi-annual Parish Clean UP:

The fall clean up of the parish campus will take place in late October or early November. The Saturday date has not been established yet in order to optimize the leaf fall pickup. We plan to cover the cost of the leaf vacuum as has become traditional. We also hope many brothers and their families will join in to help on that morning. We also need to focus on the area around our council home. The bushes and other brush and weed need to be removed and other grounds keeping needs to be tended to. Further details will be provided in the weekly email updates.

SJE Ministry Fair:

St. John's parish is having their annual Ministry Fair on Sunday, Oct. 21st in the newly renovated parish hall in the church basement. It will take place during the period following the 9 a.m. Mass and the 11:30 Mass. This is another excellent opportunity for our council to display and demonstrate all that we do in support of the parish and the community. Most importantly, it is a great venue to reach out the men of the parish to join our council and participate in this service.

Council Memorial Mass:

We will hold our annual Memorial Mass and Reception in November. Date and details are still being worked. This is a special opportunity to commemorate and pray for our deceased Council Brother and Knights Ladies. Please watch for further information to be distributed in our weekly email updates and in next months' new letter.

Cathetical Breakfast

Over 20 CCD representatives attended our Cathetical Breakfast on Sunday, September 16th at the conclusion of CCD classes. All were impressed with the breakfast that Chairperson Pat Donohue and his team prepared and enjoyed the experience. This event is growing in participation and appreciation.

COMMUNITY ACTIVITIES

Ray Dietz

Apostleship of the Seas Project (Bill Bilo & Cuck Bogdanowicz):

Brothers, please send an email to Brother Bill Bilo (redleg.77@verizon.net) if you are interested in joining the Apostleship of the Sea Program Ministry. Ask him for details.

This worthy Catholic ministry to seafarers was started by Bill Bilo for Long Green Valley Council on March 5th, 2012. This far our two LGVC "apostles" have donated their transportation costs, subsistence costs and 130 man hours to this project as an example of faith in action and walking the walk. Congratulate Bill Bilo and Chuck Bogdanowicz when you see them.

Blood Drive:

Our semi-annual blood drive to support the American Red Cross will take place on Saturday, November 17th in the SJE Church Hall from 7a.m. to 1pm. We need your help with contacting donors and soliciting sign ups after masses on the weekend of Nov. 10/11. Please donate and bring a friend or relative along with you. Contact Ray Dietz at 410-592-5377 or email at caytrek@comcast.net.

Thanksgiving Project:

We are getting close to launching our annual Thanksgiving Project to collect food and funds for food that will be distributed to three or more inner city programs. While John Mayni has been our outstanding leader of this extremely successful project, he has elected to step down as chairman this year. We are currently coordinating with a new chairman and team. In the mean time please pray for the continued success of this much needed project. We will be soliciting your donations at the end of this month, and will also be receiving the Poor Box donations from the weekend of Nov. 17/18 at St. John's Church. As always we will need help with the purchase, pick up and distribution of the food during the days prior to Thanksgiving.

Blood Drive:

Our semi-annual blood drive to support the American Red Cross will take place on Saturday, November 17th in the SJE Church Hall from 7a.m. to 1pm. We need your help with contacting donors and soliciting sign ups after masses on the weekend of Nov. 10/11. Please donate and bring a friend or relative along with you. Contact Ray Dietz at 410-592-5377 or email at caytrek@comcast.net.

COUNCIL ACTIVITIES

Paul Weber, PGK..410-879-0558..apaulweber@verizon.net

On November 3rd the council will be hosting a Pot Luck Supper followed by an evening of games and fellowship. The festivities begin immediately following the 5 pm Mass at St. John's. The council home will be open prior to Mass for your convenience.

The Ravens return to a normal Sunday schedule in October. Our popular tailgate parties will be held on October 7 (Kansas City Chiefs), October 14 (Dallas Cowboys) and October 21 (Houston Texans). Come and enjoy the game with your brother knights and their families. An excellent variety of food is offered each game for the nominal cost of \$10 a person. Beverages are also available at reduced rates.

Believe it or not, Christmas is just around the corner. Make plans now to join your brother knights for our annual Christmas Dinner on Friday, December 14th. Details will be available at future council meetings and in next month's newsletter.

Lunch Bunch Report (Bob Renshaw)

The Lunch Bunch met on the third Tuesday for the first time. Attendance was a little off this month. Hopefully this was not due to the change of date, but rather to the miserable weather that was forecast for that day. We do worry when we do not see or hear from some of our regulars and hope that they are all right.

The food was very good. In fact, we finished off what was left over from the Sunday Tailgate party. There is plenty of room for anyone else who is available in the afternoon and wants to keep in touch with the Council.

Our October meeting will be on October 16 at 11:30. Hope to see you there!

CULTURE OF LIFE ACTIVITIES

[Ed Gibbons..410-592-2750..PGibb1@aol.com](mailto:Ed_Gibbons..410-592-2750..PGibb1@aol.com)

During the coming weeks, there will be several oppoortunities for our Council to join in activities that support life:

The U.S. Conference of Catholic Bishops annually designates the first Sunday in October as "Respect- Life Sunday," and the "Forty Days for Life Campaign," which began on September 26th, will continue until November 4th.

The Archdiocese of Baltimore will hold daily vigils from 7 in the morning to 7 at night outside abortion facilities in Annapolis, Baltimore and Frederick. As soon as we learn the facilities, we will post our dates to be involved.

On the first Sunday in October, to encourage praying the rosary, Knights will work with the St. John's parish Respect Life Committee in helping children learn to pray the rosary as they make their own chaplet rosary at the "Sunday mornings at St. John's" craft table and support our pastor, Father Rick, as he blesses and distributes rosaries to any adult who wants one.

During the month of October, council members are invited to join the parish "Respect Life Committee in praying the rosary every Sunday after the 9:00 Mass.

One of the strongest visible symbols of faith is a man in prayer. Set the example! Join your brother Knights in public.and private prayers *FOR LIFE!*

FAMILY ACTIVITIES

[Joe Wenderoth_joewenderothsr@gmail.com](mailto:Joe_Wenderoth_joewenderothsr@gmail.com) 410-592-9718

Our Family Scavenger Hunt is a summer long project created for area students by the Long Green Valley Council, Knights of Columbus. In its second year, this successful program has several noteworthy goals. These goals are to keep students interested and learning during the summer school vacation, involving them in family activities and discovering fun facts about their own community. At the School Mass on October 4th we presented prizes to the winners for this year's contest.

Grades 1-3: Alex Deuber \$15

Grades 4-6: Lucas Deuber \$15 and Makaila Alcarese \$10

Grades 7-8: Conner Alcarese \$15

Congratulations to our Winners and thanks to Youth Chair, John Canoles, for this great Family Program.

YOUTH ACTIVITIES

John Canoles..443-299-6269..espijc@aol.com

Our major Youth Programs this fraternal year include Council sponsored Soccer Shootout and Basketball Free Throw Contests.

We coordinate with Saint John School to best organize and conduct these events.

We also collaborate with the school to help them manage some special events such as Open House, Poster Contests, American Education Week, Grandparents Day, the Race for Education and the following pizza party for the winners. Your help would be greatly appreciated in all these activities. Let Program Director Tom Zaegel or Grand Knight Joe Wenderoth know if you can participate in these events.

When conducting Youth activities, we need to draw from volunteers who are STAND certified through the Archdiocese for the protection of the youngsters, and also protection of our members. If you are not STAND certified for youth activities we can provide a web site address where you can perform the training from home, at your computer. You will also need to fill out a form specifying references. That form can be turned in at the church office so that they can start a background investigation and contact your references.

Brothers,

A special welcome and congratulations to **Brothers John Reed and Ted Daniecki**, who took their First Degree at our Council on 9/11/12. We extend to them and their families our best wishes as they continue on their journey in Knighthood. Kudos to our First Degree Team on their excellent exemplification of this Degree.

As a reminder, **"Membership is everyone's job!"** We simply ask you to carry a Form #100 membership application and "Ask a Catholic man and his family to join our Council." His membership in our order could be one of the "Best Gifts" you could offer him and his family. **Why not ask someone today?**

"May the good Lord continue to touch your heart with love and mercy."
